Job Description

ROLE AND RESPONSIBILITIES

- Receive payment by cash, check, credit/debit cards, WIC vouchers, or gift certificate
- Answer the telephone and take detailed messages and orders
- Issue receipts, refunds, credits, or change due to customers
- Greet customers entering and exiting the Farm Store
- Maintain clean and orderly checkout areas
- Establish total price of goods using the Apple iPad and Square App
- Resolve customer complaints
- Answer customers' questions and provide information
- Restock additional items offered for sale, i.e. bakery, honey, etc.

PREFERRED SKILLS

- Customer service
- Self-motivation
- Problem solving
- Adaptability
- Decision making
- Teamwork

Good communication with other workers as well as the supervisor(s) is a must. Please treat this business as if it were your own, if you see garbage, dispose of it, if you have a problem, alert your management team.

You are responsible for using the time clock to check in before and at the end of each shift. If you do not, you will not get paid. Paychecks will be distributed at the end of the season due to the short timeframe.
